Dear Family and Friends:

Your loved one will be attending a spiritual renewal weekend at Cornerstone United Methodist Church in Portsmouth, Ohio. At one point in the weekend, those who attend receive mail from relatives and close friends. These letters are another opportunity for your loved one to truly feel loved. It is a very meaningful part of the experience.

Would you please write a letter for this experience? Make it a COMPLETE SURPRISE, but make it a real opportunity to let them know how much you appreciate them and what your relationship with them means to you. You might recall some personal event or some special happening that the two of you have shared. Only your loved one will read your letter.

After writing the letter and signing it, please put it in an envelope and address it to your loved one by FIRST and LAST name. In the lower left-hand corner of the envelope, write the word AGAPE. Do not put your name on the outside of this envelope. Please return the letter to me by the Friday prior to the Chrysalis weekend. I will take it to the church at the time of the flight. If you feel there is not enough time for you to hand-write it, you can e-mail it to me and I will print it off.

Please remember to keep this a secret so that it will be a pleasant surprise for your loved one. Thank you for making this event special for them! Be sure to reach out to the sponsor (who sent you this letter) if you have any questions about this experience.

Fly with Christ!
